Reconstructing Home

The door to a brighter future

Benefitting Transitions Homeless Center

Wednesday, October 19, 2022 | 6 pm – 10 pm
Columbia Museum of Art
1515 Main Street | Columbia, SC

Reconstructing Home is a unique event that includes an art show featuring works created by clients of Transitions, silent and live auctions, live entertainment, and more. In addition to raising money to support the largest and most comprehensive homeless center in the Midlands of South Carolina, the evening also brings a focus to the talents of some of the men and women whose futures have been made brighter because of the services they receive at Transitions.

Come join us and enjoy Columbia Museum of Art's permanent exhibit as part of this truly special evening. Invite your friends, clients, or associates to join you as part of this uniquely Columbia experience.

When you sponsor **Reconstructing Home**, you are helping the homeless in Columbia and around the Midlands receive assistance needed to help them move forward...because **The Journey Home Begins Here!**[™]
