Annual Summary Report for Fiscal Year 2020 (July 1, 2019 to June 30, 2020)

**Mission Statement:** Engaging and equipping homeless adults of the Midlands to transition into stability and permanent housing.

<u>Vision Statement:</u> End Midlands Homelessness...one person at a time. Transitions will work with partner agencies to place as many homeless adults as possible into permanent housing, improving their lives and the quality of life in the Midlands. Our staff will be caring, safe, and productive to help clients with the best services possible on site or refer them to better treatment elsewhere. We will do what is best for our clients. We will be a leader in the community on homeless issues and work to improve conditions of those who are homeless across the Midlands. Our efforts will meet basic client needs, improve their healthcare, address addiction or mental health issues, job training, life skills, increase employment, and gain permanent housing. Our clients will graduate Transitions as productive members of society, and surrounding businesses and neighborhoods will see the good of our efforts.

**History:** MHA formed in 2008 to address homelessness solutions. After acquiring the land at Main and Elmwood in downtown Columbia, we opened the facility June 15, 2011. Clients entered the following week, and supportive services began immediately.

We Offer: A safe/handicap accessible environment, 260 beds, meals onsite, Day Center with hygiene products/showers/restrooms/phone/mail delivery on site, laundry services, agency transportation to local agencies, bus tickets for employment and medical appointments, community resource listings and referrals, courtyard with a community garden, library with a quiet area, computer lab with internet access, clothing closet, career center, job/financial planning, homeless court and legal aid, veteran services, youth services, older adult services, Community Long Term Care (CLTC) case management, onsite medical clinic, onsite mental health and substance abuse providers, rapid rehousing, outreach in the community, daily classes for life skills/psychoeducational groups/ministries/substance abuse classes/financial stability and jobs classes.
